Overview

Guidelines For The Use Of State Vehicles By Offices Statewide.

Policy

Local Service Delivery Area Managers are required to develop plans to efficiently utilize state vehicles for client and DHS needs.

Priority for vehicle usage is:

1. Client services.
2. Department meetings and trainings.
3. General Department business.

Offices are encouraged to share vehicles internally and within the geographic area.

Plans should assure that appropriate vehicles are available for the area. Eg. SUVs and Jeep types should be given priority assignment to mountain areas.

All DAS and other administrative rules and policies apply.
