Overview

Purpose/Rationale:
It is the policy of the Department of Human Services to provide a safe work environment for employees, visitors, and contractors while in the Human Services Building (HSB). The proper issuance, and display of identification badges and key cards is one way to create a safer work environment within HSB.

Policy

1. Employees
   a. All HSB employees are required to wear their issued photo ID badges in plain view for others to see while in the Human Services Building. Badges must be worn facing out and are to be located between the collar and waist area. If a badge is worn below this area, employees will be asked to display it properly. If employees are asked to show their badges they should do so willingly.
   b. Employees that misplace or forget to bring their badge to work must check a temporary HSB employee badge out at the main lobby reception desk. Loaner badges are to be returned on a daily basis, unless approval from Building Management is given. Identification Cards and Key Cards are property of the State and the responsibility of individual employees to safeguard.
   c. Lost or stolen cards should be reported to the HSB main lobby reception, 945-6798, as soon as possible. Failure to wear your Identification Card/Key Card or excessive loss or damage to cards can lead to disciplinary action.
   d. Employees can only check out 3 badges within five (5) month duration. If an employee requests more than 3 temporary badges within this duration, Building Management will contact their supervisor.
   e. DHS Employees that do not work in the Human Services Building will be required to be in the HSB Building 3 or more times a week conducting business, to obtain a photo ID badge. Staff who do not meet this requirement will check into the HSB using the visitor check in procedure listed below.

2. Visitors
a. All visitors to the HSB Building must check in to the main lobby reception desk for a HSB visitor badge. Badges are only good for that meeting and/or that day. All badges must be turned in on a daily basis.

b. Visitors must present a piece of photo ID in order to obtain a visitor badge. If a visitor does not have the proper piece of ID, their contact person in the HSB Building will need to come to the main lobby reception desk. The contact person can then vouch for that visitor so they can receive a HSB visitor badge. The contact person will then also become responsible for the return of the visitor badge.

c. Children of employees or visitor's under the age of 12 are not required to check out a visitor badge. If the children in the building will be unaccompanied by an adult, they then must check out a visitor badge.

3. Permanent Visitor

This person must be in the HSB Building 3 or more times a week conducting business. They will need to obtain a HSB Permanent Visitor badge form from the main lobby reception desk. These forms need to be completed and turned into the HSB main lobby.
