**Procedure**

The agency must ensure that actual financial transactions comply with applicable statutes, administrative rules and legislative appropriation acts. Use of the SPOTS card to pay for goods or services does not exempt cardholders from procurement laws and regulations.

Each employee issued a SPOTS card must follow the public contracting rules published by the State Procurement Office, Department of Justice, and all relevant agency policies and procedures. **Compliance is not optional.**

This procedure emphasizes accountability and responsibility over the issuance of SPOTS cards to agency employees.

| 1. Eligibility Requirements for SPOTS Card Applicants | Applicant’s Manager | The manager must have delegated expenditure decision authority. Also, only a full time, permanent employee may be designated as an applicant for a SPOTS card, unless otherwise authorized by the approving officer, per agency policy. The manager designating an applicant for the SPOTS card shall ensure that the employee:

   - Has demonstrated that he/she is responsible and is willing to maintain and secure the required documentation supporting all SPOTS card transactions;  
   - Attended SPOTS card training. |

The employee must read and understand the terms and conditions of the agreement before completing the required information or signing the document. |
Managers shall ensure that:
- The employee has read and understands the terms and conditions of the agreement.
- The employee is knowledgeable of and has access to all public contracting rules and applicable agency policies and procedures.
- The employee is provided contact access to an agency procurement officer, purchasing specialist or the SPOTS card coordinator to discuss whether a potential purchase is in compliance with public contracting laws and agency policies and procedures.
- The employee understands his/her personal liability for misuse or abuse of the SPOTS card.
- Form DHS 0134 is properly completed, signed and submitted to the SPOTS card coordinator within 30 days of the employee’s SPOTS Card training.

Application Processing | Approving Officer, SPOTS Card Coordinator, DAS Deputy Controller | The SPOTS card coordinator will review the DHS 0134 form and applicable supporting document(s) for completeness. A form with incomplete or erroneous information will be immediately returned to the requesting manager, which may delay processing the SPOTS Card application. Depending on the nature of the error or the length of the delay in processing the application, the applicant employee may be required to re-attend the SPOTS Card training. Within seven business days after receiving the completed DHS 0134 and, if applicable, attached business justification documentation, the SPOTS card coordinator will submit a recommendation to the approving officer. The approving officer will assess the recommendation and supporting documentation before making the final determination to approve or deny the request. |

| 4. Notification of Application | Approving Officer, SPOTS Card Coordinator | The SPOTS card coordinator will notify the requesting manager and applicant employee via email of the decision to approve/deny the SPOTS card application, amend the requested credit card limits, place a single transaction restriction on the card, or any other restriction(s) applicable to the card. |

<p>| 5. Card Credit Limits | Manager, SPOTS Card Coordinator | The manager is prohibited from requesting a SPOTS card credit limit that exceeds his/her delegated expenditure decision authority on the Signature |</p>
