Purpose
The Department of Human Services (DHS) and the Oregon Health Authority (OHA) are committed to the use of uniform business practices and procedures for the purchase of airline tickets, ensuring fiscal responsibility for the agencies in all such purchases.

Description
This policy describes the individuals permitted to purchase airline tickets and the processes employees are required to use when making purchases. The policy covers airline ticket purchases for agency-related business travel. Exceptions to this policy may include but are not limited to emergency and last-minute travel, client travel and sponsor reimbursed travel.

Applicability
This policy applies to all DHS and OHA staff including employees, volunteers, trainees and interns.

As keepers of the public trust, all agency employees have a responsibility to comply with state and agency policies, administrative rule, and state and federal law. The agency takes this responsibility seriously and failure to fulfill this responsibility is not treated lightly. Employees who fail to comply with state or agency policy, administrative rule, or state and federal law may face progressive discipline, up to and including dismissal from state service.

Policy
1. DHS and OHA employees purchasing airline tickets on behalf of the agencies shall adhere to all state and agency guidelines, policies and procedures relating to the purchase of airline tickets.
2. Travel controllers shall:
   a. Designate agency employees as travel coordinators and ghost account holders.
   b. Maintain a list of travel coordinators and ghost account holders on the intranet and report changes in employee designation to the state contracted travel agency.
   c. Ensure that all travel coordinators receive sufficient training and instruction to perform travel related duties in compliance with policy and procedure.
3. Travel coordinators shall:
   a. Use the travel authorization procedure DHS or OHA-040-009-02 and the lowest logical airfare decision matrix DHS|OHA-040-022-1 when purchasing airline tickets.
b. Use Azumano’s online booking tool RESX when researching and purchasing airline tickets.
c. Only make reservations by phone in complex transactions such as routing using multiple carriers, ticket exchanges, ticket refunds or last-minute changes.
