Licensing and license-exempt status

- » If you are **currently licensed** with the Oregon Department of Education, Early Learning Division Office of Child Care (OCC), go to page 4 for instructions.
- » If you are **not licensed** with the OCC **and**:
 - You are not related to all children in care.
 - You are likely providing **license-exempt non-relative care**. Go to page 2 of the instructions.
 - You are a **grandparent, great-grandparent, aunt, uncle (does not include great-aunt and great-uncle) or a sibling not living in the home of the child that you intend to care for**. Relationships must be established by blood, adoption or marriage. This also includes blood relationships established before the child was adopted. Relationships established by marriage continue even if a spouse dies.
 - You are likely providing **license-exempt relative care**. Go to page 3 of the instructions.

Are you required to be licensed with the Office of Child Care?

Child care providers are legally required to be licensed with the OCC unless they are exempt from licensing (*license-exempt*).

How to determine your license or license-exempt status

Please select all the statements below that apply to you.

If you provide care in a home, you are exempt from licensing if:

- You are providing care in the home of the child but do not live with the child.
- All the children you care for, not including your own children, are from the same family.
- You are caring for three or fewer children, not including your own children, at any one time.
- You are related to the children in care by blood, marriage or adoption.

If you provide care in a facility, you are exempt from licensing if:

- You do not care for children more than 70 days in a year.
- A school district, political subdivision of the state or a governmental agency operates the program.
- You are operating a pre-school recorded program.

If you meet one of the above exemptions, the OCC may not require licensing of your home or facility. To see if you need to be licensed, call the OCC at 503-947-1400 or 1-800-556-6616.

DHS uses this information to help determine if the OCC needs to license you. This is an informational tool only.

Instructions for license-exempt *non-relative* care

Training

If the OCC does not require you to have a license **and you are not related to all children in care**, you will need to **complete the following before submitting** a completed Child Care Provider Listing Form:

- **Introduction to Child Care Health & Safety training** (*take online*)
 - Online training: www.oregon.gov/dhs/assistance/CHILD-CARE/Pages/training.aspx
- **Recognizing and Reporting Child Abuse and Neglect training**
 - In-person training: Contact your local Child Care Resource and Referral (CCR&R) agency at 1-800-342-6712 **or**
 - Online training: www.oregon.gov/dhs/assistance/CHILD-CARE/Pages/training.aspx

- **Pediatric CPR/First Aid training**

For training locations, contact your local Child Care Resource and Referral (CCR&R) agency at 1-800-342-6712. If you are unable to take the Pediatric CPR/First Aid class before turning in this form, you may be eligible for a short-term waiver. Contact your local CCR&R for more information about the waiver process. For a list of CCR&R offices, go to www.oregonccrr.com, call 1-800-342-6712 or call 211 Info. Strictly online CPR training is not acceptable.

Attach a copy of your “Pediatric CPR/First Aid Card” to this form if you previously took this training from another agency besides the local CCR&R.

Note: The director and staff members who work with children in care and volunteers who may have unsupervised access to children are also required to take the above pre-service trainings.

Water testing requirements

Effective Sept. 30, 2018, license-exempt child care providers who are not related to all children in care must test their water supply for lead in any plumbing fixture used for drinking, preparing food or formula prior to submitting their Child Care Provider Listing Form. **Submit a copy of the water sample results with your listing form.**

Please note: Lead testing is not needed if you provide care in the child’s home and you live somewhere else.

The OCC can reimburse you for the cost of lead testing. For a reimbursement form and information on how to test your water, visit <https://www.oregon.gov/DHS/ASSISTANCE/CHILD-CARE/Pages/Providers.aspx>

For information on preventing exposure to lead, contact the OCC at 503-947-5908 or visit their website at <https://oregonearlylearning.com/lead-poisoning-prevention/>

After completing the above trainings and water testing for lead:

- Complete and sign the attached Child Care Provider Listing Form using black or blue ink.
- Mail the form within 30 days from the date issued in the “*DHS branch use only*” section. Mail to the Direct Pay Unit at P.O. Box 14850, Salem, OR 97309-0850 or fax to 503-378-5953.
- Contact the Direct Pay Unit (DPU) for questions at: 1-800-699-9074 (*toll-free*) or 503-378-5500 (*Salem area*).
- The OCC must conduct a home/facility visit before approving you as a child care provider. This also includes care provided in the child’s home. After DHS reviews your provider listing form and verifies you have completed trainings, an OCC staff person will contact you to schedule a visit where child

care will be provided. The OCC staff person will check to make sure the home/facility meets all health and safety requirements as required by the Early Learning Division and DHS. The staff person can talk with you about concerns or questions you have and share resources or training material.

- Before this visit, you may review the OCC's Health and Safety Checklist. Find the checklist at <https://www.oregon.gov/DHS/ASSISTANCE/CHILD-CARE/Documents/Regulated-Subsidy-Checklist-RS-404.pdf>.

Instructions for license-exempt *relative* care

Note: A relative is a grandparent, great-grandparent, aunt, uncle (*does not include great-aunt and great-uncle*) or a sibling not living in the home of the child.

Training

If you are not required to be licensed with the OCC **and you are related to the child or children in care**, you will need to complete the following **before** submitting a completed Child Care Provider Listing Form:

- **Introduction to Child Care Health & Safety training** (*take online*)
For more information, go to www.oregon.gov/dhs/assistance/CHILD-CARE/Pages/training.aspx.

After completing the above training:

- Complete and sign the attached Child Care Provider Listing Form using black or blue ink.
- Mail the form within 30 days from the date issued in the “*DHS branch use only*” section. Mail to the Direct Pay Unit at P.O. Box 14850, Salem, OR 97309-0850 or fax to 503-378-5953.

Additional information for *both* relative and non-relative license-exempt providers

Background checks

DHS conducts FBI fingerprint background checks for license-exempt child care providers.

- DPU will submit the completed listing form to the Background Check Unit (BCU) to conduct the background checks. You will receive a letter indicating who needs to submit fingerprints. Please read this letter carefully; it will have specific instructions on how to obtain the required fingerprints.
 - Criminal and child protective service records checks are required for the provider, any member of the household who is age 16 or older, and any visitors to the home who may have unsupervised access to a child in care. A visitor is someone who may spend time at the provider's home during the time child care is provided but does not live in the home. This is likely when the provider needs to visit another area of the home (*bathroom, bedrooms, kitchen*), leaving the visitor an opportunity for unsupervised access to children.
 - In facilities exempt from licensing, the site director and everyone who works in the facility who will have access to the children in care are subject to criminal and child protective service records checks. This includes employees, substitute caregivers, staff and volunteers who may have an opportunity for unsupervised access to children.

Persons who have lived in the state for less than five years will require additional child welfare, sex offender and criminal interstate checks.

Instructions for OCC-Licensed child care providers (*registered family, certified family, certified center*)

- Meet DHS provider requirements and health and safety standards.
- Complete and sign the attached Child Care Provider Listing Form using black or blue ink.

 - **A Child Care Provider Listing Form is required for each site where care is provided.** DHS will need to list and approve each site to receive subsidy child care payments.

Contact DPU for questions at 1-800-699-9074 (*toll-free*) or 503-378-5500 (*Salem area*). **Child care payments from DHS begin once the listing form has been approved and the family is eligible for child care benefits.**

 **Licensed providers with the OCC (*registered family, certified family and certified centers*) STOP HERE and submit this completed form to DPU for processing. Do not complete section 27.**

27. Background checks

License-exempt providers (not licensed with the OCC) are required to answer this section.

This form will be returned as incomplete if there is any missing information.

Providers who are licensed with the OCC do not need to answer this section.

Who must complete and sign this section

- Provider
- All household members (*age 16 or older*). This includes the parent of the child for whom you are providing care if you live together
Note: If you provide care in the child's home and you live somewhere else, only you, the provider, must complete and sign this question (section 27).
- Substitute or back-up providers
- Any visitors who may have unsupervised access to a child in care
Unsupervised access applies to most visitors in the provider's home during child care hours. A visitor is likely to have an opportunity for unsupervised access to children in care when the provider needs to visit another area of the home (bathroom, kitchen or other areas where children nap).
- Facilities that are exempt from licensing — the facility site director and staff, as well as visitors and volunteers with an opportunity for unsupervised access to children, under regulation ORS 329A.250, are subject to criminal and child protective service records checks.

I understand that:

- **Each person** must pass a criminal history and abuse history check
- Providers must make sure that everyone required to sign the form provides complete and accurate information
- **I and any listed individuals must disclose history of:**
 - All arrests, charges, adjudications and convictions
 - Allegations of abuse or neglect and any involvement with child or adult protective services in any state, territory or country at any time
- **I and any listed individual must report any new criminal history or abuse history** to the Direct Pay Unit within five days (*see section 26 for more information*)
- I will be in failed status for not meeting eligibility if the listing form does not include a required person, or if anyone on the listing form does not provide complete information regarding criminal history (*arrests, charges and/or convictions*) and child/adult protective service history. If this occurs, I will not be eligible for payment and may incur an overpayment.

The signatures of the listed individuals and myself authorize the Background Check Unit (BCU), the Department of Human Services (DHS), the state court system and other agencies to:

- Disclose information and communicate it only to determine and review eligibility as a DHS provider
- Process these background checks and request and receive any juvenile, police, court or investigation reports needed
(In the event the agency discovers potentially disqualifying abuse, I may receive more information at the address or email I have given.)

- Release information given in this background check request or position information to any criminal justice agency or investigative body as needed for investigation, outstanding warrants or supervision requirements
- Release and receive any abuse and neglect information, provider enrollment records and any other required information between provider enrollment units of the DHS and Oregon Health Authority (OHA)
- Release and receive any abuse and neglect information, provider certification or licensing records, and any other required information between DHS and the Office of Child Care, Early Learning Division.

I understand the background check on myself or any listed individuals may be repeated while I remain an active, failed or suspended provider.

I understand that a fingerprint-based Federal Bureau of Investigation (FBI) background check will be completed on me and on any of the individuals listed in this section. Each background check may include:

- An Oregon criminal records check
- A fingerprint-based national criminal records check through the FBI
- An Oregon abuse history check
- An abuse history check for all states in which the listed individual lived within the last five years
- Persons who have lived in the state for less than five years, which requires additional child welfare, sex offender and criminal interstate checks
- Court records, juvenile records, police investigations, abuse investigations and other documentation as needed to complete the fitness determination.
